# stroll 'n roll

A family friendly event held at Frederik Meijer Gardens and Sculpture Park

WEST MICHIGAN  
**SPINA BIFIDA  
ORGANIZATION**

# WE NEED YOUR HELP.

And by help, we mean gift cards, a round of golf, handmade jewelry, swim lessons, etc.

## Your donation means a lot.

This scholarship will allow Sylvia to have the most effective therapy for her and she loved it! This gift allows us to do something consistently for her that we could otherwise not afford on a regular basis, and shows her and our other children that others believe in Sylvia and are along side us to encourage her!

-The Pashby Family

Thank you so much for the part you played in getting Gabe a set of hand controls. He says the gears are really smoot to operate, and he is over joyed to use them. Thanks again, WMSBO, we are all so appreciative for this grant!

-The DenBraber Family

We were brought together by a diagnosis, we became a community with the support of people like you.

The West Michigan Spina Bifida Organization offers financial and emotional support to families and individuals living with spina bifida in West Michigan.

Our annual Stroll 'N Roll provides an opportunity for you, our community partner, to raise awareness through your contributions. The Stroll 'N Roll is a family friendly event held at the Frederik Meijer Gardens and Sculpture Park. It is a day filled with fun activities, a raffle/auction, and an organized group walk around the gardens. Through pledges, donations, and corporate sponsors, it has become our most successful fundraiser.

The Stroll 'N Roll fuels our organization. Your partnership in this event, helps us continue our important work in West Michigan.
